Phase 3,5,6 Now Open

Lake Lenexa

Lake Lenexa and Black Hoof Park spans 231 acres and encompasses the stunning 35-acre deep-water Lake Lenexa. Within the park, visitors can explore a distinctive dam and spillway, traverse several miles of trails winding through open grasslands and wooded regions, and enjoy engaging natural play areas tailored for children. It's an ideal setting to immerse yourself in the beauty of nature and observe a diverse array of wildlife.
